## Principal

Barnsley Academy

**Barnsley Academy**

The best in everyone™

Part of United Learning

# Welcome

**Thank you very much for your interest in becoming Principal of Barnsley Academy.**

Barnsley Academy is a Good school (Ofsted 2020) serving a proud and vibrant Yorkshire community. The Academy has been on a significant journey of improvement over recent years. Leaders have improved standards and outcomes, built the support of parents, and created a school with a strong curriculum, good teaching and effective pupil support, which serves its local area with distinction. The Academy has the confidence of its community – it is now oversubscribed in Year 7 and full in other year groups, with around 900 pupils on roll.

Following the promotion and relocation of the current Principal, we are now looking for a leader who will continue to develop the school as it flourishes and moves towards excellence. Barnsley Academy has many strengths, much good practice, a committed staff and a blossoming culture and climate. However, there is fantastic potential to build further from here and for the Academy to become an exceptional school, rivalling the very best in the country.

The successful candidate will be an energetic leader who builds teams, wants to apply best practice, learn, collaborate with other Principals and Academies and shares the Trust's determination to do their best for young people. The Academy is a great match for someone with determination, resilience, empathy and compassion in equal measure.

If you are a Principal or outstanding Deputy who believes that children and young people can achieve extraordinary things and will build a team and a school to make it a reality, we will be excited to read your application. Reporting directly to the Regional Director, we will support you both personally and professionally, bringing the strength of a national group to supporting your development and that of your staff and school, ensuring you have access to educational expertise, specialist finance, HR and technology business partners.

United Learning is deeply committed to the progress, success and safeguarding of all children and young people. We believe in serving local communities through creating excellent schools which provide outstanding education and support all the children of the area. Our Principals are central not only to the leadership of their school but also to the collective leadership of the Group. As a Group, we aim to offer more by working together than any single school could on its own: we aim to support and develop leaders, provide excellent professional development for all staff and offer broader experiences for children and young people.

We are committed to fairness, diversity and inclusion. We are currently working hard to improve the representation of black, Asian and minority ethnic leaders at headship level and to raise our proportion of women leaders to match their representation in our wider workforce. Whoever you are, if you have a strong track record of improving young people's education and a drive to do more, we very much look forward to hearing from you.

With best wishes,

# The Academy

**Barnsley Academy is an 11-16 school with a culture of excellence: a vision shared by all staff and pupils. It is dedicated to ensuring each student gains the knowledge, confidence and skills to make a success of their future lives.**

Located on the South East of the city, Barnsley Academy sits at the heart of its community. The school has great facilities in a modern building, with individually designed learning spaces offering a highly effective environment for staff and pupils. The Academy is part of a cluster with two large United Learning Academies in Sheffield, benefitting from an Executive Business Manager and back office shared services.

To get a flavour of the fantastic opportunity this presents, please take a look at this video which highlights just how special Barnsley Academy really is: [Barnsley Academy > Video \(barnsley-academy.org\)](https://www.barnsley-academy.org)

Under the leadership of the current Principal, the school has gone from strength to strength, and developments around teaching and learning, pupil engagement, culture and enrichment have been particularly impressive. Nevertheless, there remains much to do to ensure this school unleashes all its potential. We expect the successful candidate to have further significant impact raising the standards in all year groups and to ensure all children, including those characterised by deprivation, achieve their potential – and this will be the top priority for the new leader. Above all we are seeking substantial and sustainable improvements under the leadership of a Principal committed to the long-term success of Barnsley Academy's pupils and community.

We will support the successful candidate in ensuring the very highest academic standards, where exemplary behaviour allows teachers and pupils to focus on the core business of teaching and learning. This is the ideal position for an ambitious and dynamic leader with the vision to further develop an ethos of care, respect and high achievement.

United Learning will support the Principal with the expertise of a Regional Director, as well as a highly effective team of Subject Advisors and Central Support for Finance, HR, Estates and other functions. You will also benefit from our knowledge-rich mastery curriculum which includes a package of common assessments, enabling school leaders to gain a deeper understanding of their students by comparing performance against the thousands of students in other United Learning schools.

The successful candidate will become part of a network of fellow Principals with the support, mutual challenge and sense of comradeship that brings with it.

We fully recommend that, circumstances allowing, you take the opportunity to make an informal visit prior to making your application to see the school for yourself. If you would like to arrange a visit or discuss the role in further detail, with Laura Moore, Regional Director please contact Tracy Laverack at Academicis, our recruitment partner, on [tlaverack@academicis.co.uk](mailto:tlaverack@academicis.co.uk) or by phone on 07554 118 997 / 01223 907979.

# About United Learning

**United Learning is a Group of schools which aims to provide excellent education to children and young people across the country. We seek to improve the life chances of all the children and young people we serve and make it our mission to bring out 'the best in everyone' – pupils, staff, parents, and the wider community. We uniquely comprise schools in both the state and the independent sectors.**

As a group, we can offer more to both staff and young people than any single school could offer alone. The growing range of outstanding group-wide activities that we can provide will mean that more young people will have truly exceptional and inspiring experiences.

We believe that our Group contains the most developed relationships and practical interaction between independent and state schools in the country, creating benefits for all the schools involved.

United Learning comprises both United Church Schools Trust, which operates our fee-paying independent schools, and United Learning Trust, which operates our state-funded academies.

To find out more about United Learning, please visit the website [www.unitedlearning.co.uk](http://www.unitedlearning.co.uk)

As part of United Learning, Barnsley Academy will share the objective of bringing out 'the best in everyone', enabling each student to become a balanced, happy and articulate person with intellectual freedom, confidence, compassion, integrity and a lifelong love of learning.

# Our Ethos

Our approach to education is underpinned by a sense of moral purpose and commitment to doing what is right for children and young people. We believe in supporting our colleagues to achieve excellence and in acting with integrity in all our dealings within and beyond the Group. We believe the safety and welfare of all children and young people is paramount. We summarise this ethos as ‘**the best in everyone**’ which underpins our core values:

**Ambition** – to achieve the best for us and others.

**Confidence** – to have the courage of our convictions and to take risks for the right cause.

**Creativity** – to imagine possibilities and make them real.

**Respect** – of ourselves and others in all that we do.

**Enthusiasm** – to seek opportunity, find what is good and pursue talents and interests.

**Determination** – to overcome obstacles and achieve success.

As a single organisation, we seek to bring together the best of independent and state sectors, respecting both traditions and learning from each other. We believe that each of our schools is and should be distinctive – committed to developing its own strengths and identity while sharing our core values to promote service, compassion and generosity.

## Continuing Professional Development

We believe that successful organisations make a priority of developing their staff; all the more so in education, where the people of the organisation are its most important asset. While the development of all staff is important, we make the support and professional development of Heads and senior leaders a particular priority, given the impact that leaders have on the life of staff and pupils alike.

We work on the basis that each of us, however effective, can always improve. The successful candidate of Barnsley Academy will be set personal development objectives with the Regional Director each year and will be supported to achieve them.

The Principal will also be asked to take a role in supporting the leadership of the whole organisation, working with other Heads in the Group, and sharing ideas and practice with one another. They will

also have the benefit of accessing a range of networks, including the Group Education Forum, which brings together Heads from across the Group six times a year. United Learning are passionate about staff development, for example we provide 360-degree feedback as part of professional development, and we have also commissioned training programmes from major universities.

We believe that schools are at their best when they are autonomous and able to develop a distinctive ethos, reflecting the needs of their pupils and the context within which they work. The Group can get behind the work of Heads and leaders in schools through creating strong networks, providing outstanding educational support and professional development, and by taking the strain of professional functional support. We aim to ensure that the technology, finance, HR and data support is provided more effectively and efficiently than would otherwise be possible, so that Principals can focus on educational leadership.

The newly appointed Principal at Barnsley Academy will also benefit from a comprehensive induction programme which has recently been reviewed to ensure its effective and to promote success.

# Our Framework for Excellence

To achieve our mission, our schools prioritise five key principles:

- 1 The best from everyone
- 2 Powerful knowledge
- 3 Education with character
- 4 Leadership in every role
- 5 Continuous improvement

Our aim is to bring out 'the best in everyone'. So, we must expect the best from everyone, all the time. Every child is a special individual, capable of extraordinary things. Who can know the limits of any child's potential?

# Our Framework for Excellence

## 'The best from everyone'

Our aim is to bring out 'the best in everyone'. So, we must expect the best from everyone, all the time. Every child is a special individual, capable of extraordinary things. Who can know the limits of any child's potential? So, we expect unreasonably – we constantly challenge children to do what they think they can't, to persist, to work hard and to be at their best.

From every adult we expect the same: that they are at their best, expect unreasonably of themselves, are determined and resilient and pass those expectations on to the children in all they do. We act with the utmost love, care and good faith – the highest standards come with the greatest attention to the wellbeing of all.

## 'Powerful knowledge'

Our most important purpose is to teach young people things they would not learn outside school, which free them to think and act more powerfully in their lives. Words and numbers are our most powerful ways of representing the world. Mastery of language and fluent mathematical skills are therefore our top priority. We aim to prepare young people to make a success of their lives: a core entitlement to subject-based learning; the development of talents; an understanding of work and society.

Worthwhile learning is often hard. Inspiring teaching is what gives access to difficult concepts and the thrill of intellectual discovery. Powerful knowledge is not static or backward-looking. It includes the ability to critique, challenge the status quo, think and learn.

## 'Education with character'

Academic success is very important. Exam passes are an important aspect of that. But there is more to a good education. Our schools also aim to develop character, compassion and service. Young people are expected to contribute to their school and to society; to try things which they think they cannot do; to persist in the face of difficulty; to become resilient in overcoming obstacles; to manage themselves; to

work independently on things which challenge them; to work with others and in teams; to be courageous and caring; to lead.

We want young people to look back on a joyful schooling which has inspired and challenged them, given them wide opportunity and prepared them for the ups and downs of life.

## 'Leadership in every role'

Our children are leaders of the future. We expect them to start today – taking advantage of structured opportunities to lead and taking responsibility for themselves and others. Every adult in the school is a leader.

In every word, tone and gesture, they set direction and expectation. We expect every adult to take responsibility and the initiative to do what is right for the children.

All those in formal leadership positions create the climate in which others work. They demand the highest standards, build a performance culture, develop their teams and create the space for others to lead. All leaders listen, grow relationships, act with integrity and care and expect the best from themselves and others in building a happy, confident school.

## 'Continuous improvement'

However good we are, we can be better. We constantly look for improvements and implement them with pace. We look for ideas for improvement inside the organisation and out; we observe one another; we steal good ideas with pride and look to make them better; we work together to improve.

We always look at the evidence and are rigorous in evaluating impact. We stop or change things which aren't working; we improve things which are. We aim for high leverage, high impact for low effort and low cost. We constantly look to have more impact for less cost and effort and to spend every pound wisely.
